

David Higgins

Profile

I'm a full stack developer with over 3 years experience with a passion for web technologies and solving complex problems. I like to travel and have recently moved to Melbourne, looking for a new challenge.

Work Experience

July 2019 - **Full Stack Web Developer**

January 2020 **RateBeer, Melbourne**

Worked in an agile environment on the development team at RateBeer.com, migrating from an old ASP.NET site to a new ReactJS web application. Created new pages using React, Material UI and styled components. Developed new GraphQL APIs using the Apollo and ExpressJS frameworks, using knexJS to access a SQL Server database.

September 2016 - **Technology Consultant**
Deloitte, Dublin

September 2018 **Analyst**

Worked on the development team that lead the creation of a custom Umbraco CMS site using es6, LESS and HTML and also a redesign of the current MyWelfare.ie site. Also I developed a dashboard for internal use showing current usage of the site using AngularJS and ChartJS.

April 2015 - **Technology Consultant**
September 2015 **Deloitte, Dublin**

Co-op

Worked in an agile environment with the Digital Team on the MyWelfare.ie site writing HTML, CSS, JavaScript and C#. Created unit and automation tests using Selenium and NUnit, participated in daily standups and scrum meetings.
